

## JOIN US FOR A T10 THERMOSTAT TRAINING

WEDNESDAY, MAY 29 • 3:30 P.M. – 5:30 P.M.

Please join us for the first T10 thermostat training with Resideo. Meet the T Series T10 Pro Smart Thermostat with RedLINK™ Room Sensor. The T10 Pro Smart Thermostat allows homeowners to prioritize the rooms that matter most, helping ensure comfort where it counts. It's a smart, simple way to help your customers feel right at home.

### Learn about:

- Advanced connectivity and reliability
- Simple installation and setup
- Smart features and functionality

A Resideo instructor will be leading the training to answer any questions you may have.
